

30 Day Exchange Plan

For our customers complete peace of mind, we offer a **30 Day exchange plan**. Should you not be completely satisfied with your purchase you may change the vehicle for another one of your choice, of **equal or higher** value within 30 days of the **original purchase date**.

All we ask is that the car has not travelled further than **750 Miles** and is in the same condition as it was when collected on the original purchase date. Any accessories (including alarms) can not be transferred on exchange.

(Only 1 Exchange per Original Purchase Applies)

This offer is only applicable to vehicles purchased at the original price.

If the vehicle develops a fault within the 30 day exchange period that cannot be rectified within 30 days of the issue being reported to us in writing, we will give a full refund.

This in no way affects the customer's statutory rights as consumer.
